

PRESCHOOL READING & LEARNING CHALLENGE

Directions:

Circle or cross off one shape each day that you complete an activity from the list below. You may log one activity per day. When you have completed 50 days of activities, bring your log to the library for a goodie bag!

Activities

- Read a book • Point to words on signs or packages • Talk about your day
- Tell your child a story • Take a walk and talk about what you see • Sing a song
- Look at a picture book and name the pictures you see • Share a rhyme
- Listen to a song together • Sing a bedtime song • Draw a picture • Dance to music
- Go to an online Story Time or library program

Engaging with your young child helps them develop language and literacy skills. Completing these activities together promotes brain development - and having fun!
